SAVE TIME AND BOOK ONLINE FOR.....

... a routine ten minute appointment with a Doctor and some appointment types with the Nursing team.

Nurse appointments must be booked into dedicated slots for specific requests as below:

- female only practice nurse appointment for cervical smears
- depo injections (for ongoing users)
- pill checks (for ongoing users); and
- travel - please ensure you complete a travel questionnaire

Routine Asthma appointments are available with Sr Tracy Ashburner.

Please book a B12 injection (3 monthly) with HCA Lynne Roberts or HCA Barbara Clegg.

Flu Jab appointments also available online for eligible patients.

You are unable to book longer appointments online for, for example, full medicals or post natal checks. If you think you require a longer appointment, please use the telephone booking service on 01249 812141, Option 1.

When you have finished reading the Newsletter, please leave it in the Waiting Room for others to read. Thank you.

Hello, my name is Katie I'm the Local Area Coordinator for Calne

I can help you to:

- access information, advice and support
- build your own local network
- find practical ways to resolve problems
- be part of your local community
- identify your personal strengths, needs and goals

I work alongside people of all ages (including disabled people and people with mental health conditions). If you feel you would like to reconnect with your community or need some help or support, then you can invite me to work alongside you.

My support is free and without judgment - there are no assessments, referral processes or time limits - and I can meet you in local community settings or where you live, work, volunteer or learn.

By inviting me to work alongside you, I will:

- Take time to get to know you to build a trusting relationship
- Help you find relevant information, advice and support
- Help you to build and achieve your vision of a good life
- Help you to identify and develop your strengths, talents, abilities and skills
- Help you in building, developing and using personal and local networks
- Help you to stay strong and be heard so you stay in control of your life
- Help you to become more connected, resilient and more actively involved in your community
